Product Description

Orange Pumice is a heavy-duty hand cleaner that contains citrus oil and pumice that quickly removes most types of hard industrial soils.

Application

Orange Pumice is recommended for use in most commercial and domestic areas where a heavy-duty hand cleaner is needed. It can be used for automotive workshops and service centres, marine, industrial, agriculture, mining and forestry industries. When applied onto the hands it is highly effective at removing grease, oil, heavy grime, paint, printer ink and other types of soils.

Product Benefits

- Heavy duty to clean and remove soil & grime
- Contains fine pumice for quick and effective cleaning
- Added skin moisturiser
- Contains natural citrus oil (d-limonene) and leaves a fresh orange fragrance

Directions for Use

1. Dispense directly onto hands
2. Rub into hands, between the fingers and nails for 30-60 seconds
3. Rinse off with clean running water
4. After rinsing apply Lightning Revive Skin Conditioner for rehydration and condition of the hands
