Before your visit
If possible, we recommend that you make a preliminary visit to the Museum or its [website] to familiarise yourself with the facilities and tour structures.

Browse our tours and activity add-ons and choose what will best suit your group. Before making your booking consider if any educational requirements or needs (including special access) are necessary. Please read the school excursion checklist (below) for more information about making a booking with the Museum.

Supervision
The Museum recommends a supervision ratio of 1:5 for prep students, 1:10 for primary school students (years 1–6), 1:15 for secondary school students (years 7–12) and 1:1 ratio for students with special needs.

Teachers and supervising adults must implement effective supervision strategies when at the Museum. These strategies include using name badges, wearing school uniforms, utilising Museum staff in case of emergencies, carrying out regular roll calls and discussing emergency meeting points.

Teachers must ensure students behave appropriately and follow instructions at all times (including those from Museum staff).

Payment information
All school excursions must be prepaid unless a commercial credit application has been submitted and approved.

Unsure how many students you’ll have?
We recommend booking an excursion for the maximum number of students you are likely to bring. On the day of your visit you will be asked to sign in for the number of students you have brought. If there are fewer students than you booked for, a refund can be organised post-visit.

Payment methods
• **EFTPOS**
  Payment can be made via credit card (Visa and Mastercard)

• **Direct deposit**
  Account name: Australian Age of Dinosaurs Limited
  Bank: National Australia Bank
  Branch: Winton
  BSB: 084 990
  Account number: 82 742 8574
  Reference: tax invoice number
  *(Please allow a few days for the payment to clear prior to your arrival).*
  Email your remittance advice to museumfinance@aaod.com.au

• **Cheque**
  Your cheque, made out to Australian Age of Dinosaurs Limited, must be received ten business days before your excursion.
  Send to: Accounts receivable, Australian Age of Dinosaurs PO Box 408 Winton Qld 4735
  Please email your cheque number and the Museum’s tax invoice number to museumfinance@aaod.com.au so it can be applied to your booking ahead of your arrival.
Refunds
If a refund is required please email the Museum at museumfinance@aaod.com.au

Cancellations and postponing your excursion
Please email bookings@aaod.com.au if you need to cancel or postpone your excursion.

Cancellation fees
30 days’ notice – no charge apply
14 days’ notice – 50% of full tour cost per person
7 days’ notice – 100% of full tour cost per person

Parking
If you are arriving by coach, please ask the driver to drop you and your students off at your pre-arranged tour venue (either at the Fossil Preparation Laboratory, Reception Centre or Dinosaur Canyon). Coach parking bays are available in the Museum car park at the Reception Centre. Private bus and coach parking is on a first come, first serve basis and cannot be reserved.

Who can I contact for more information or to make an education booking?

Tanya Mellar or Kim Stoter

bookings@aaod.com.au info@aaod.com.au
The following education rate sheet details the Museum's current pricing and the new pricing that will apply from 10 May 2021 when the Museum's new *March of the Titanosaurs* exhibition opens. The tours that will incorporate the *March of the Titanosaurs* exhibition are the Ultimate Dinosaur tour, Dinosaur Canyon experience tour and the WDCOA VIP pass. The Museum tour and Dinosaur Stampede tour do not include a tour of the *March of the Titanosaurs* exhibition. The Museum tour will also increase in price from 10 May 2021.

The Museum provides **free admission for one teacher with every ten students** and one additional chaperone for every five students. Chaperones beyond the 1:5 ratio are welcome and need to purchase a student ticket upon arrival. **Note** Transportation to the Museum and Dinosaur Stampede is not provided in the ticket price.

A Junior Palaeo activity can be added to any Australian Age of Dinosaurs tour.

A Junior Palaeo activity can be added to any Australian Age of Dinosaurs tour.
The following wholesale-catering rate sheet details the Museum’s current pricing and the new pricing that will apply from 1 March 2022. The Museum has one outdoor picnic area and limited outdoor seating at the Cretaceous Café therefore 30-minute lunch slots must be booked in advance.

All bookings that include catering must adhere to the minimum pax outlined below and all final numbers and dietary requirements must be confirmed two weeks prior to arrival. Catering options are only available with wholesale tour packages at the Australian Age of Dinosaurs (ie not at Dinosaur Stampede National Monument).

Please make sure you follow the checklist below. Note Telephone bookings can take up to ten minutes.

### Checklist

**Before contacting the Museum**

- Total number of adults and students in your group
- Investigate which tour you would like to take part in (Ultimate Dinosaur tour etc)
- Students’ age group and relevant topics being studied
- Students’ lower and upper ages
- Ideal visit date and alternative dates
- School’s full address (if this is your first visit)
- Relevant special educational needs and disability information
- School’s accounts department phone number and email address
- Group leader’s telephone number

Please check your booking confirmation email carefully. If you would like to change your booking details or upgrade your excursion, contact the Programs Co-ordinator.

**Two weeks before visit**

- Confirm final numbers with the Museum two weeks before your excursion
- If you have arranged for catering through the Cretaceous Café, confirm any dietary requirements or special needs.

**One week before visit**

- Check with your accounts department that payment has been made and that your remittance advice has been sent to museumfinance@aaod.com.au
- Make sure that your additional teachers/parents/chaperones read and understand the excursion details
- Do teachers and students have clothing suitable for the weather conditions? We recommend hats, sunscreen, water bottles and jackets. Closed shoes are mandatory.
Q: What are the major tour additions/changes at the Museum from 10 May 2021?
A: From 10 May 2021 the Museum will be opening the *March of the Titanosaurs* exhibition. This exhibition will be a guided tour around a newly discovered 65m-long sauropod trackway that represents the best example of sauropod tracks in Australia. The trackway was relocated from the bottom of a creek bed on a property near Winton and is enclosed in an architecturally designed and air-conditioned exhibition building, located 100 metres from Dinosaur Canyon Outpost. Life-size bronze sauropods are positioned outside the building providing the perfect opportunity for selfies and group photos. This guided tour is wheelchair accessible and will run for 30 minutes.

Also from 10 May 2021 the Fossil Preparation Laboratory will be significantly upgraded. The new *Australia Through Time* mini exhibition will display a selection of the Museum's extensive fossil collection that will one day form part of the *Australia Through Time* exhibition at the future Museum of Natural History. As part of this upgrade the Laboratory will be extended and new displays and exhibitions created. The Laboratory guided tour is wheelchair accessible and runs for 30 minutes.

Q: If I want to book a tour *before* 10 May 2021 but it leaves *after* 10 May 2021, do I have to pay the new rate?
A: Yes. As tours from 10 May 2021 will include the new additions (outlined above) they will incur the new pricing rate.

Q: Will Dinosaur Stampede National Monument be changing its prices?
A: No. The retail and wholesale rates for Dinosaur Stampede National Monument will remain the same.

Q: Are there any changes to catering?
A: Yes. See above rate sheet.

Q: When can I book on for the Gondwana Stars Observatory tour?
A: Although the official opening date has yet to be determined, the new Gondwana Stars Observatory will be another highlight in 2021 and the Museum will update all wholesale organisations as soon as we can. The Observatory is situated approximately 50m from Dinosaur Canyon Outpost. Its design is in keeping with the Museum's visual brand and values, incorporating the red-rock and rust themes of other public infrastructure on The Jump-Up. The building walls assume the texture and colours of a meteorite in the middle of a simulated impact crater, reflecting the bolide impacts that have caused world extinction events throughout deep time. A unique night tour will cater to up to 25 people per tour and run for one hour. As The Jump-Up is Australia's first International Dark-Sky Sanctuary, the addition of high-quality telescopes at the Observatory will enable visitors to see the extraordinary sky in Outback Queensland. The Observatory tour will be added to the rate card in due course.

Q: When will the new virtual excursions be available for schools to book?
A: The Museum’s new virtual excursions will be available from June 2021 and include six curriculum-linked lessons: Fossil footprint forensics, Fossils in our backyard, Intro to Aussie dinosaurs, Digging into Deep Time, Dinosaur maths and Into the Laboratory: uncovering and understanding fossils. Prices will range from $150 to $200 per class.

Q: Can you host larger groups of students?
A: Yes. Larger groups are welcome to visit the Museum. To ensure a better experience, larger groups are split into smaller groups each with their own Tour Guide.
THE MARCH OF THE TITANOSAURS EXHIBITION
