

Museum pet kennels

Pets are an important part of the family. The Museum's new pet kennels are in their first stage of development, in a great location at the back of the Reception Centre car park, away from the crowds. Don't forget to bring creature comforts for them (food, water and a blanket, and don't forget the lock). The kennels are free for your convenience! So, you can enjoy your tour knowing that your dog has some shade, space to move around, fresh air and is secure.
