

PEARLSHINE

Pearlshine Flex is the perfect combination of rich jewel-tone colors and a glistening finish. This specialty flex has the vibrant range of colors and design patterns available, makes eye-catching creations and accents.

It is stretchy and very easy to weed, soft and smooth.

Pearlshine is suitable for transfer to textiles like cotton, polyester, cotton/polyester blends.

We recommend using a standard 45° blade.

Guarantee for a secure and long-lasting bond of Pearlshine is only given when following the specified temperature and pressure conditions. We recommend evaluation on test material.

Due to the various influences which occur from production and transfer of plotter lettering, consistency of the carrier materials and also washing and cleaning conditions, product liability can only cover the unprocessed material.
