## Claret Bullhide leather elastic side safety boot

- Revolutionary CushionCore comfort technology absorbs and disperses energy as your heel strikes down while generating rebound at the front of your foot
- Dual-density midsole – World first technology of two compounds injected into the midsole providing superior shock absorption at the heel and providing rebound at the forefront as you step
- Thermo Polyurethane (TPU) outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Super cushioning Comf2Bull airflow footbed of soft PU (polyurethane) that's also antibacterial and washable
- Broad fitting 200 Joule impact resistant Type 1 steel toe cap
- Certified to Standard AS/NZS 2210.3:2009  
Classification 1 – ID2815  
ASTM F2413-17
- Sizes 5-14
