Francital Everest Pro

A Premium European design Chainsaw protective trouser for tree climbers

- **5 layer Sofly® chainsaw protective material** makes these trousers lightweight and comfortable with superb Class 1 chainsaw resistance
- **Hydrophobic treated fabric (96% polyamide 4% spandex 200gr/m2) to increase water repellency**, allowing for better airflow and sweat to be absorbed away from the body
- **Spandex lining (50% polyamide 45% polyester 5%)**
- **2 Italian pockets** closed by downwards zip prevents contents from falling out
- **1 back pocket closed by zip and 1 no-return ruler pocket**
- **1 pocket placed on the front left leg**, closed by flap and self-gripping strip for dust-resistance
- **Elasticated belt and back flap** makes waist fit snugly to your body and flexes with movement
- **Knee and lower leg lining in black two-way rip stop stretch fabric** gives ease of movement while retaining outstanding wear and tear resistance
- **Elastic tightening string at the bottom of the trouser** to prevent debris, saw dust and insects from entering
- **Buttons to allow for braces**
