## Animal Repellent

D-Ter protects seedlings, trees and shrubs from possums, kangaroos, wallabies, rabbits, hares and other wildlife. Supplied in powder form, D-Ter is simply mixed with water and sprayed onto the plants or area to be protected.

Use D-Ter to repel birds and animals including dogs, cats, parrots, possums, rabbits, wallabies, rats and mice. Acts on the senses of smell and taste of animals entering treated areas, repelling without harming them. In rare cases it may take a few days to deter undesirable habits.

Use as per label instructions.
