

Table Top Work Bench Assembly Instructions

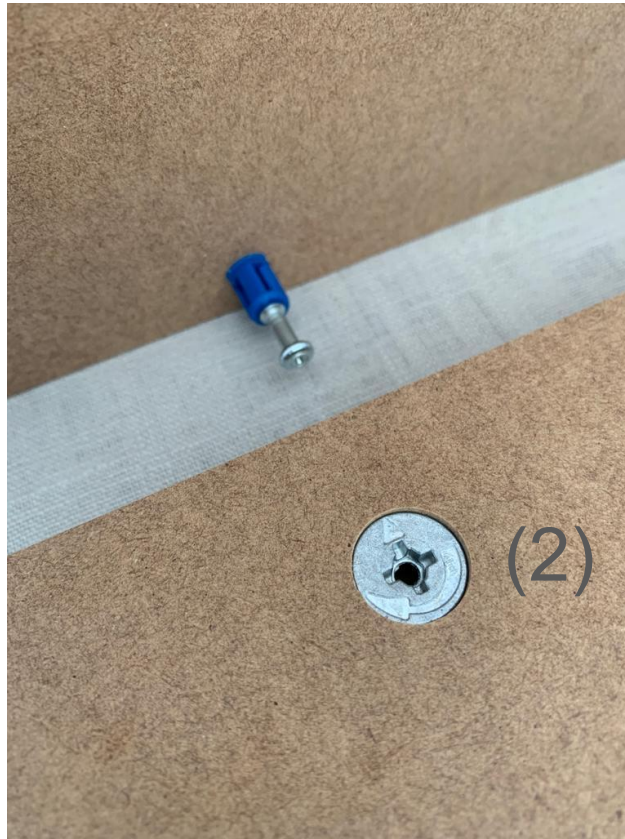

Remove components from box and place as above.

Have fasteners ready to help you assemble the workbench.

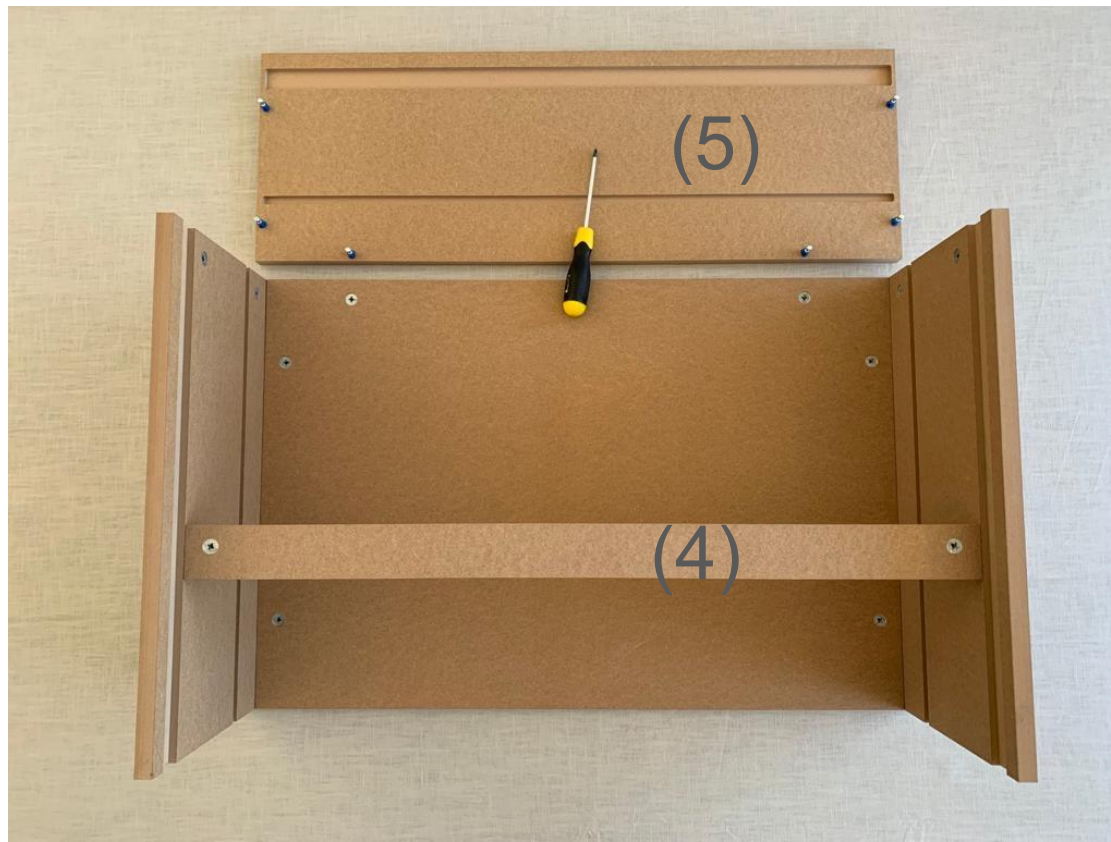

Assemble panels utilising the supplied fasteners (1).

Fit cams (2) into holes, with the arrow on the cam pointing in the direction of the hole on the side.

Ensure wooden dowels (3) are inserted into both sides of the cross support

Assemble large side panels and cross support (4), followed by rear panel (5).

Tighten all cam screws (2).

Slide shelf (6) into position

Slide bench-top into position. Fit peg (7).
Use clamps (8) to firmly secure to your table.
