Model Specification

Value

Product dimensions (mm)	370*400*220
Filter capacity (l)	3.1
Flow rate	3500 GPH (13.2 m ³ /h)
Filtering (μm)	180, one layer
Brushes	One-sided, active
Cleaning modes	Floor, Wall & Waterline, Full
Beach entry detection	Included
Battery capacity (mAh)	4,500
Battery power (Wh)	99.90
Flow Rate	3500 GPH (13.2 m ³ /h)
Runtime (h)	Up to 2.5 hours
Charging time (h)	5~6
Removable battery	Yes
Sensors	Ultrasonic SmartSensor + Gyroscope
Motors	3 BLDC
Connectivity	Wi-Fi & Bluetooth
App & OTA	Yes
Weight range (kg)	7.5 kg
Packaging	Single-layer brown box
