LOCKED PAPER PAPER CUSHION PAD MACHINE C1

Built for heavier and more fragile products, the C1 creates dense double lock paper cushion pads that hold their shape inside cartons. Its compact cushion pad design gives products stronger support in transit while keeping packing fast and easy.

Double lock pads. Stronger cushioning.

LOCKED PAPER CUSHION PAD MACHINE C1

Key Features:

- Produces dense double lock paper cushion pads
- 85% compression ratio helps maximise protection with less paper
- Peak valley double puncture design for stronger support
- Helps protect heavier and fragile products
- 1 ply or 2 ply paper options for different protection levels
- Fast paper pad output up to 36 metres per minute
- Touch screen control with programmable working modes
- One touch jam clearing with easy paper loading
- Ideal for warehouses packing heavier and fragile products

Specifications

Feeding Speed	36m/min
Cutting Speed	40 times/min
Paper Width	380mm (15 inch)
Paper Grammage	50-70gsm
Cushioning Paper Length	0.25m - 36m
Voltage	200-240V
Machine Weight	45kg
Stand Weight	27.5kg
Power	350W
Machine Size	1108mm (L) × 540mm (W) × 1416mm (H)
