

Heavy Duty Cleaner Degreaser

Multi-purpose cleaner degreaser that can be used in a range of commercial and industrial applications. Suitable for cleaning a wide range of hard surfaces including floors, benches, tiles, showers, basins, equipment and machinery. Removes oil, grease, carbon soiling and dust. It can be used through high-pressure water blasters for washing exterior surfaces.

DIRECTIONS

For usual medium duty cleaning use at a ratio of 1:50 (2% solution, 20mls per litre) with potable water.
 For spray and wipe applications use at a ratio of 1:25 (4% solution, 40ml per litre).
 For heavy duty cleaning use at a ratio of 1:9 (10% solution, 100ml per litre).
 High Pressure cleaning, dilute 1:100 - 1:200. Rinse with water after use.

GOOD PRACTICE

Under Good Practice Protocol diluted solution of this product as stated provides general biostasis using internationally recognised antibacterial agents with a recommended minimum contact time of 10 minutes. At 1% concentration this product provides 100PPM QAC.

MPI APPROVAL

MPI APPROVED C31 (All animal product except dairy).
 Before use, all edible product and packaging material must be removed from the room. After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.
