SAFETY DATA SHEET GRAPE WASH™

MPI Approved C37 (all animal product except dairy)
Eco Choice Aotearoa
Readily Biodegradable
Non Bio Accumulative

PURPOSE:

Grape Wash™ enhances finish and gloss on all paint types. Ideal for hand car washing and maintaining vehicles between waxing. Biodegradable and environmentally friendly – Eco Choice Aotearoa Certified. **Does not contain silicone.**

DIRECTIONS:

Pour 125ml (1/2 cup) into a clean 20ltr wash bucket, add cold water, mix to create suds. Hose down the car with water to soften dirt. Use a wash mitt or sponge to apply the car wash. Start washing from the roof down. Wash thoroughly removing all dirt and road film, rinsing out the wash mitt or sponge regularly. Rinse suds off with low pressure free flowing water. On hot days, rinse off small sections of the car at a time to prevent suds drying. For best results always dry off excess water with a chamois or a towel to prevent water spotting.

WARNING:

KEEP OUT OF REACH OF CHILDREN.
