

BioMedica Nutraceuticals - Education Calendar 2019

BioMedica's educational events aim to educate and inspire. We pride ourselves on providing practitioners with the latest in clinical experience, scientific research and evidence based holistic approaches to assessment and managing conditions in clinical practice.

SEMINARS

You will always leave our seminars with practical information you can immediately integrate into your clinical practice. By attending a BioMedica seminar, you can be sure you will be given up to date information to further develop your clinical skills, benefiting both you and your clients.

[Visit the Seminars page on our website for more information and to register.](#)

WEBINARS

Along with our face to face events, for practitioner convenience we also regularly hold webinars covering highly relevant areas of clinical practice. We aim to include a range of experienced presenters who are practitioners in clinic themselves.

Webinar topics will be announced on our website throughout the year.

[Go to the Events page on our website for topics and to register.](#)

LUNCH & LEARN

To further support practitioners in clinical practice with high-quality ongoing education, BioMedica offer a range of complimentary 30–60 minute webinars, available for viewing at your convenience.

Covering a range of topics and key clinical areas of interest, these concise and clinically relevant sessions allow practitioners to receive the latest research and information to further develop their clinical skills, in a highly accessible and user friendly format, gaining practical insights that can be immediately integrated into clinical practice.

[Go to the Lunch & Learn page on our website for topics and to register.](#)

Lunch & Learn topics will be announced on our website throughout the year.
