

## CHLOE STONE CONSOLE TABLE - LARGE ANTIQUE GOLD

31168

Understatedly elegant, the Chloe large console table features a polished, natural crystallised stone top with a smooth rolled edge, supported by an elegantly slender antique gold finished iron frame. Creating a striking surface for display, the pairing of opulent stone with the lustre of cool metal makes for a perfectly complementary combination. Quintessentially chic, the Chloe console table sits comfortably in an entry or living area placed beneath a statement artwork or mirror.
