

## CAYMAN MANGO WOOD SIDE TABLE - BLACK

32881

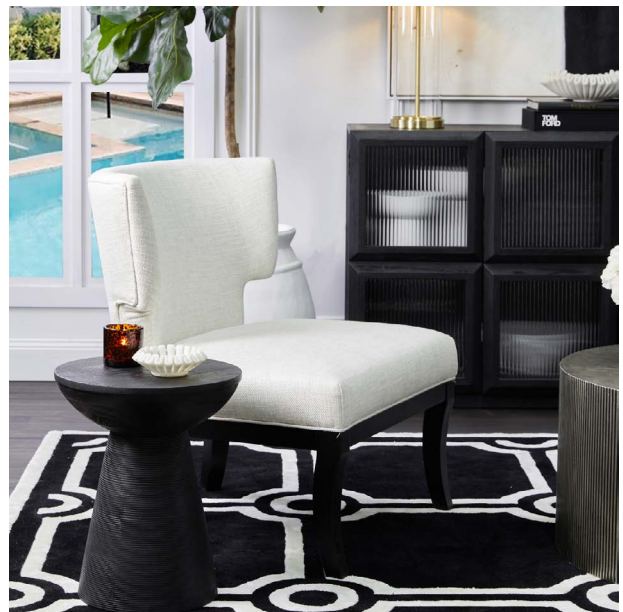

Perfectly proportioned, the Cayman side table adds bold sculptural integrity to any space. Constructed from solid mango wood which has been hand crafted to form a smooth, cylindrical profile, the flawless form of the Cayman side table flaunts a distinctively modern aesthetic. Adding warmth and interest to interiors with its solid, raw quality and natural timber grain shining through its chic satin black painted finish, this striking piece is perfectly suited to the Australian lifestyle and can be paired with the St Barts side table for added sculptural interest. Also available in white.
