CAFE LIGHTING & LIVING

Timeless Elegance for Discerning Interiors

Discover the Anderson Range - a curated collection of buffets, consoles, bedside tables, and chest of drawers that embody refined artistry and versatile functionality. Available in sleek Black, pristine White, and opulent Antique Gold finishes, these pieces are designed with a contemporary edge where bold design meets refined detailing. Infusing spaces with a sense of luxury, the Anderson range offers endless possibilities - seamlessly integrating into residential sanctuaries, boutique hotels, or commercial vignettes to create cohesive narratives of elegance and poise. Unlock the potential to redefine your next project.

ANDERSON BEDSIDE TABLES

Elevate bedside vignettes with two options from the Anderson range, crafted in sleek Ashwood veneer with Black, White, or Antique Gold finishes. The small single-drawer model boasts an open base for airy sophistication, soft-close drawer on metal runners, and gold accents. The 2-drawer option amplifies storage while preserving architectural poise and stability - perfect for stylists redefining bedrooms into timeless, adaptable sanctuaries of form and function.
