

HUXLEY BONE INLAY FLOOR MIRROR

40511

Adding contemporary sophistication to stylish interiors, the Huxley bone inlay floor mirror is one to swoon over. The chic black and natural bone inlay pattern is surrounded by an elegant brass metal clad frame. An inspiring statement piece, the artisan skill that goes into individually hand cutting each tile and meticulously placing each piece to create an intricate geometric pattern is truly breathtaking. Slender and tall at 220 x 80cm, the Huxley bone inlay floor mirror is perfectly proportioned and extremely functional. Also available in a matching wall mirror and furniture range, Huxley is one to love for years to come.
