Premium Quality
Classic Contemporary Design
Versatile Surface Options
Pure Luxury

I'm so excited to introduce you to the new Benedict furniture range.

Designed for those who value premium craftsmanship. Benedict enjoys a classic contemporary design with it's bold, sculptural geometric timber base perfectly complimented by slimline brass handles and premium stone top surface options. Pure luxury.

A truly versatile range, the Benedict bedside table and buffet come in a delicious colour palette of timber tones to suit all interiors. From warm white to natural oak, walnut and moody smoked oak, the Benedict bases can be complimented by four alternate premium stone surface top options; classic white marble, earthy travertine, mesmerising river brown marble and chic black marble.

Elevating interiors with it's architectural elegance, the Benedict range has already proven popular with interior designers and stylists who value unique pieces and timeless sophistication.
