

# Suma® Inox D7

## Stainless Steel Polish

---

Suma Inox D7 is a ready to use polish for use on stainless steel surfaces like refrigerators, freezer doors, trolleys, dishwashing machines and other stainless steel surfaces not used for the preparation of food.

### Key properties

Suma Inox D7 is a specially formulated polish for use on stainless steel surfaces, which are not in direct contact with foods, like refrigerator, tables, freezer doors, trolleys and dishwashing machines. The special blend of oil and solvent provides an effective removal of water and finger spots and leaves a long lasting shine on the surfaces.

### Benefits

- ▶ Gives shine back to stainless steel surfaces
- ▶ Removes spots and marks from the surface
- ▶ Resists finger marks to maintain that just polished appearance for longer.
- ▶ Leaves no sticky surfaces

---

### Designed For

- ▶ Hospitality
  - ▶ Lodging
  - ▶ Healthcare
  - ▶ Food Service
-
