All-purpose anti-bacterial and pleasantly fragranced hard-surface cleaner for use in bathrooms and kitchens. Powerful dirt dissolving formula that easily cuts through grease, oil and other organic-based soiling.

DIRECTIONS

Spray sparingly directly to surfaces. Wipe with a clean cloth, paper towel, or damp sponge. Leaving for 30-60 secs before wiping will increase product performance and results, especially on greasy or heavy soiling buildup. Ensure reusable wipes are thoroughly rinsed then dried for best repeat use. Always aim to minimise airborne product.

GOOD PRACTICE

Under Good Practice Protocol undiluted product as stated provides general biostasis using internationally recognised antibacterial agents with a recommended minimum contact time of 10 minutes.
