

**FP07****Kemsol****UNI****PRODUCT INFORMATION**

## Universal Cleaner

Concentrated universal cleaner for use in a huge application range including exterior house and commercial building surfaces, walls, floors, machine parts, commercial and industrial kitchens food plant/bakery benches and all general equipment. Powerful wetting agents cut through grime layers. Especially good in 'dry' soiling applications such as in powder plants, floor scrubbers, and bakeries.

### DIRECTIONS

For light hard surface cleaning, dilute with warm or cold potable water at a ratio of 1:100 (1% solution, 10ml per litre).

Medium-duty cleaning at a ratio of 1:50 (2% solution, 20ml per litre).

Heavy cleaning, dilute to 1:20 (5% solution, 50ml per litre).

### MPI APPROVAL

MPI APPROVED C31 (All animal product except dairy).

General purpose detergent which is not for use on food surfaces, but may be used on floors and walls. Before using this compound in food areas, all product and packaging material must be removed from the room. Accidental spillage onto food surfaces must be thoroughly washed off with potable water.
