

T-RUST

BRIDGEPOINT
SYSTEMS

Environmentally Sound
Rust Remover

T-RUST from Bridgepoint is a new generation of rust remover designed for carpets and fabrics. The T-Rust formula is designed to be environmentally sound and safer for the user when compared to other harsh acid rust removers. **DO NOT MIX WITH OTHER CLEANING PRODUCTS.**

- **CONTROLLED pH (4)** - No harsh acids are needed to remove the most stubborn rust stains. T-Rust is much safer to use than other products. It requires no neutralizing.
- **WORKS FAST** - No long waiting time for T-Rust to work. Simply apply and in a few seconds the rust will begin to disappear.
- **ENVIRONMENTALLY SAFE** - No more worry of carrying a hazardous chemical into your customer's home. T-Rust is non-polluting, and safe for the user when instructions are followed.

DIRECTIONS:

1. Test fabric for compatibility in an inconspicuous area.
2. Apply full strength to rust stain.
3. Allow a short time for T-RUST to work. Light agitation will speed the process.
4. Thoroughly rinse area with water.

OTHER USES: Effective for many mineral based soils such as metal stains, water stains and rings. Excellent for removing mineral scale and hard water stains from hard surfaces. (Check surface for compatibility before using.)

Available in Gallons and 4 x 1 gallon cases
Available in Pints and 12 x 1 pint cases

RTU pH: 4.0
Part # CS12GL
Part # CS12PT
