## Bio-Zyme INCISTERN™ Toilet Bowl Cleaner

Contents: **Bio-Zyme Cleaner** (Enzyme based)

### PRODUCT INFORMATION

#### Kinetic Energy No batteries

Incistern is an automatic toilet cleaner/sanitiser.

It attaches to inside of Cistern and requires no batteries.

Incistern dosing is activated by the kinetic energy of the refilling, rising cistern water and unique Incistern Activator which measures and doses the exact amount of water treatment concentrate for every flush.

#### NZ Made / NZ Owned

On Every Flush **Bio-Zyme Cleaner** will:

- Kill Bacteria and Viruses
- Have long Lasting cleaning / sanitising effectiveness on bowl and pipe work
- Keep toilet fresh and fragrant between regular cleans
- Enhance and condition your septic tank

### SPECIFICATIONS
