

# EC1 BioActiv® Multi-Purpose Cleaner Sanitiser

## Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

## System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

## EC1 BioActiv Multi-Purpose Cleaner/Sanitiser

Geller OneDose EC1 BioActiv Multipurpose harnesses plant-based surfactants and advanced synbiotic technology to clean deeply and keep working long after you've wiped. It breaks down grime, grease, and biofilms without harsh fumes or residue. Eco-preferred and safer for people and the planet, it's the world's most advanced biological surface cleaner — delivering lasting freshness and next-generation performance on all hard surfaces.

## Features & Benefits:

- MPI Approved (C32) for commercial restrooms and non-food areas
- Uses biological action to enhance ongoing cleanliness
- Helps prevent re-soiling by working beyond initial application
- Cleans effectively without harsh chemical residues
- Safer choice for users, surfaces, and the environment
- Ideal for facilities seeking eco-preferred solutions
