BioActiv®

# HD Degreaser Cleaner

## Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

## System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

## EC2 BioActiv HD Degreaser Cleaner

Geller OneDose EC2 BioActiv HD Degreaser/Cleaner is the world's most advanced biological degreaser — using synbiotic technology to break down grease, grime, and biofilms on hard surfaces and floors. This eco-preferred concentrate tackles medium to heavy soils with a powerful blend of probiotics, prebiotics, and low-foaming biodegradable surfactants. It keeps cleaning long after use, without harsh residues or fumes. Ideal for kitchens, food areas, and industrial spaces.

## Features & Benefits:

- MPI Approved (C31) for commercial restrooms and non-food areas
- Biological formulation targets grease and organic soils
- Suitable for medium to heavy-duty cleaning tasks
- Supports longer-lasting cleanliness through continued action
- Low-foaming and biodegradable for practical daily use
- Ideal for kitchens, workshops, and industrial spaces
