# EC6 Glass Cleaner

## Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

## System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

## EC6 Glass Cleaner

Geller OneDose EC6 Glass & Stainless Cleaner is a powerful, fragrance-free, ECA-approved biodegradable formula that removes smoke, grease films, and tough soils from glass, mirrors, plastic, and stainless steel. It delivers streak-free, sparkling results and helps repel dust and smudges. As part of the OneDose system, it offers precise dosing, reduced waste, and safe, efficient cleaning in commercial environment.

## Features & Benefits:

- MPI Approved (C35) for commercial restrooms and non-food areas
- Fragrance-free option for sensitive or shared environments
- Effectively removes marks, film, and light grease
- Suitable for glass, mirrors, and stainless steel
- Produces a clear finish without streaking
- Biodegradable formulation supports safer cleaning practices
