

Chemico

PASTE CLEANER

Chemico is a powerful but non-harsh abrasive cleaner that is rose pink in colour. Chemico is effective on bathroom and kitchen surfaces such as baths, basins, sinks, tiles, showers, stoves, fridges and bench tops. Chemico contains coconut oil derivatives and glycerine to lubricate, clean, and to provide easy free rinsing with tap water. Chemico is made from naturally occurring materials and is essentially non hazardous and thus is safe for most people to use without the risk of irritation.

Directions:

Apply Chemico on a damp cloth or sponge to clean baths, basins, paintwork, cookers, all sinks, glass, porcelain, plastic and kitchenware. Use Chemico on steel wool, pot mitt, or a nylon pad to remove grease from pans and inside cookers. Dilute Chemico in warm water to clean delicate surfaces, e.g. paintwork, cars boats, and caravans.

Features and Benefits

- Fully Bio-degradable
