

# Domestos®

## Disinfectant Hospital Grade

---

Domestos is a powerful cleaner hospital grade disinfectant designed to kill germs and remove dirt, mould and smell from homes, offices and buildings. Its versatility enables it to be used for cleaning shower recess, and tiles, toilets, drains and waste pipes, chopping boards and rubbish bins.

---

### Features

- ▶ Domestos is a powerful formulation which kills germs, removes mold, stains and smell.
  - ▶ Domestos is a concentrated thick liquid which clings to vertical surfaces.
  - ▶ Professional pack size. Cost effective and suitable for professional users.
  - ▶ Domestos is a trusted quality brand.
- 

### Product Usage- Suitable for:

Use in toilets, shower recesses and tiles, waste pipes, drains, grease traps, hospitals and dental surgeries, bathroom floors and work surfaces, nappies, some septic tanks, garbage bins.

### Advice

Domestos contains bleach – Always spot test and ensure surface suitability before use – especially on baths and tiles. May discolour some fabrics and surfaces – avoid splashes and apours. Do not use on metallic surfaces. Do not use on porcelain, enamel or laminates if cracked or worn.

---

# Use Overview

## Directions for use

### Undiluted (Use Only As Directed):

Use Domestos undiluted to kill germs, remove mould, stains and smells. Squirt on desired area, spread evenly, leave 10 minutes then rinse thoroughly. Use for: shower recess and tiles, drains and wastepipes, chopping boards, rubbish bins, hospitals and detail surgeries. (This product is not intended for use on therapeutic devices.)

### Diluted (Use Only As Directed):

Dilute 120ml in 5L of water and use to remove tough dirt and stains, germs and to freshen. Rinse well and discard diluted solution after use.

**Bathroom and Kitchen Surfaces, Floors-** Cleans and removes germs.

**Garage Floors and Driveways-** Removes grease and oil stains

**Paths and Patios-** Removes mould, leaf and moss stains.

**Tea / Coffee Cups and Plastic Food Containers-** Soak for up to 1 hour then rinse well to remove stains and smells.

**Flowers-** Add a couple of drops to the vase of water to keep flowers fresher longer.
