P1 PERSONAL CARE

GENTLE

Gentle Liquid Hand Soap produces a rich, creamy lather, which is highly effective against general grime and soil, yet very gentle on your skin, moisturising and conditioning your hands with continued use. Safe for septic tanks when used as directed.

FEATURES

- Septic Tank Safe
- Commercial Quality
- Cost Effective - Highly Dilutable
- ECO Preferred
- Ammonia Free
- Non-Flammable

SUSTAINABILITY

We are committed to a greener, more sustainable future for all. We strive to minimise the environmental impact of ALL our products, by carefully selecting ingredients that are biodegradable and/or cause minimal harm.

ENVIRONMENTAL STATEMENT

All cleaning products can have an effect on the environment. Always use the correct dose for maximum efficiency/minimum environmental impact. Do not pour bulk neat chemicals into drains, etc. Small quantities of this product may be flushed to sewer. Rinse container and place with recycling to be collected.

DIRECTIONS FOR USE

PUMP one or two squirts of Liquid Hand Soap onto the palm of one hand.

RUB soap over all areas of both hands. Rinse off with clean water.

DRY hands with towel or air dryer.
