

Mouldoff.

Product Data Sheet

Date: 01/07/24

Introducing Mouldoff.

Mouldoff is a powerful thin foamy detergent sanitiser designed to clean and remove mould, dirt, scum, mildew, germs, and stubborn stains from a variety of surfaces. It delivers a long-lasting foaming action and a distinctive chlorine/eucalyptus fragrance. Suitable for both manual use and pressure spray application.

Key Benefits

- ✓ Powerful foaming action
- ✓ Kills and removes mould and mildew
- ✓ Safe on tiles, grout, stainless steel, and hard surfaces
- ✓ Ideal for bathrooms, cool rooms, toilets, kitchens, food & beverage facilities
- ✓ Phosphate-free, biodegradable surfactants
- ✓ Septic-safe when used as directed

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

Directions of Use

As Disinfectant / Heavy Mould Cleaner (RTU)

- Spray directly onto affected area
- Leave for 2–10 minutes to act
- Scrub if required
- Rinse thoroughly with clean water

Note: Do not mix with other chemicals. Use in well-ventilated areas.

PRODUCT	CODE
750ML RTU	M-OFF-750ML
