

PERFECTLY SPARKLING GLASSWARE WITH THE PRESS OF A BUTTON.

Our **Polish Free Glasswashers** will help you cut expenses without cutting corners.

Beautiful glassware and cutlery are a crucial part of the dining experience. It's important to ensure these often expensive items are taken care of and sparkling. Winterhalter's Polish Free Glasswashers are designed to take the stress and work out of maintaining glassware.

- Built-in Reverse Osmosis is designed to consistently polish your glasses every wash
- Perfect cleanliness and hygiene
- Smart touch display for intuitive simple operation
- Customised for your specific needs: glasswashing or cutlery washing
- Minimises operating costs
- Maximises efficiency

"Our Winterhalters are coming up to 10 years old; the results are the same as the day they were installed. We consider them a part of the extended family."

Caterina Borsato,
Caterina's Melbourne

"Our Winterhalter paid for itself in 4 months."

James Rothwell,
Ricky's Noosa

THE MACHINE PAYS FOR ITSELF WITHIN A YEAR!

ON AVERAGE, IT TAKES ONE EMPLOYEE
TWO HOURS PER DAY TO POLISH YOUR GLASSES.

BREAKING ROUGHLY 2
GLASSES IN THE PROCESS

Save time and money by removing the need for hand polishing with a **Winterhalter Polish Free Glasswasher**; glasses come out clean, polished and sparkling after every cycle.
