

PRODUCT INFORMATION SHEET

DESCRIPTION:

Liquid Safety Bleach and sanitizing solution for laundry applications. Ideal for dosing through multi head laundry dispensing systems to provide safe bleach and reduce the levels of bacteria remaining in the wash system after the main wash.

HYDROTECH 50 may also be used as a light duty cleaner and sanitizer for floors walls and other hard surfaces, and is an excellent pre-wash soak cleaner for fabric.

FEATURES AND BENEFITS:

- Used as a bleaching and antibacterial agent.
- Liquid formula for accurate dosage.
- Economical in use.
- Easy to use.
- Odour free.
- Used in various areas.

TECHNICAL INFORMATION:

Appearance	Clear colorless mobile liquid.
Odour	Odourless
Specific Gravity	1.20
PH	5.5-6.5
Percentage Volatiles	N/A
Solubility in Water	Completely miscible.

USE:

For Industrial use only. Do not mix with other detergents or other chemicals. Used in position L# in laundry applications after the main wash has been completed. Dosing should be between 4ml and 8 ml per 16kg of dry fabric.

For general cleaning dilute 30ml per 4lt bucket of water mop on and agitate surface, then rinse off.

As a presoak dilute 8ml per 4litre bucket of water and allow fabric to soak for 15 – 30 mins.

SAFETY: May intensify fire; oxidizer. Causes severe skin burns and eye damage. May cause respiratory irritation.

Keep out of reach of children. Read label before use. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep/Store away from clothing/combustible materials. Take any precaution to avoid mixing with combustibles. Do not breathe dust, fume, gas, mist, vapours or spray. Avoid breathing dust, fume, gas, mist, vapours or spray. Wash hands, face and all exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective clothing, gloves, eye/face protection and suitable respirator.
