

Laundry

BluSuds

Concentrated Laundry Powder

Geller® BluSuds is a highly concentrated powder suitable for commercial and domestic use, including front-loading machines. Does not contain bulk fillers..

Contains powerful surfactants and optical brightening agents to enhance fabric appearance. Works well on light, medium and heavy soiling, and is suited to domestic, hotel, motel and on-premise laundry applications. Do not apply directly onto fabric without diluting. Suitable for use in hot or cold water.

Directions

DOMESTIC USE: 1 scoop per normal 5kg wash. Up to 2 scoops for heavily soiled garments. COMMERCIAL USE: Use between 7 & 14 gms/kilo of laundry (scoop holds 35 gms).

*Standard laundry load is approximately 4-5kg dry-weight laundry. Ensure solution is thoroughly rinsed from garments prior to drying.

MPI Approved C33 (All animal product except dairy)

If treated fabric directly or indirectly comes in contact with edible product, a thorough rinse with potable water must follow the laundering process.

Features and Benefits

- Optical-brightening
- Top and front loaders
- Hot & cold water
