HIGHLIGHTS

FILTRATION

Cyclonic filtration enhances dust collection and boosts cleaning efficiency in tandem with the Brushless Motor and powered head.

SUCTION POWER

4 selectable power modes for a variety of different applications.

WASTE DISPOSAL

Simple and efficient waste disposal by simply unclipping the canister.

POWERED HEAD

This vacuum features a motorized head roller brush suitable for carpets and hard floors.

FEATURES

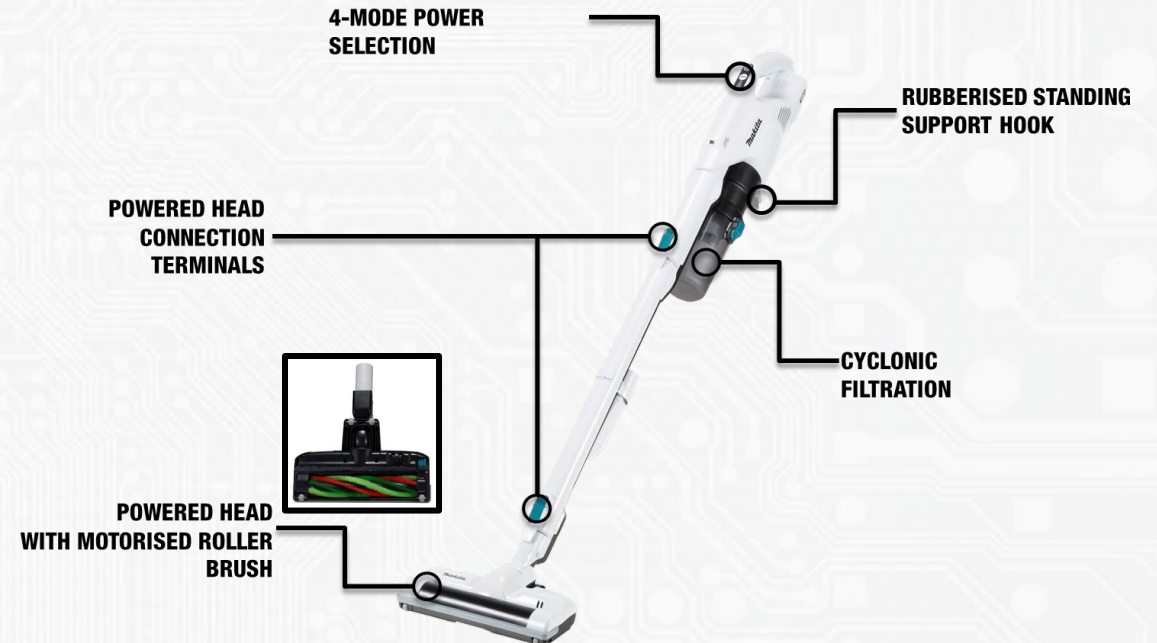

CYCLONIC FILTRATION: Featuring innovative cyclonic filtration, this vacuum efficiently separates dust and debris, ensuring powerful suction and maintaining optimal performance.

MOTORISED HEAD ROLLER BRUSH: Featuring a motorized head roller brush, this vacuum enhances cleaning efficiency by effortlessly agitating carpet fibers and lifting embedded dirt and pet hair. It adapts to different surfaces, ensuring a thorough clean on both carpets and hard floors.

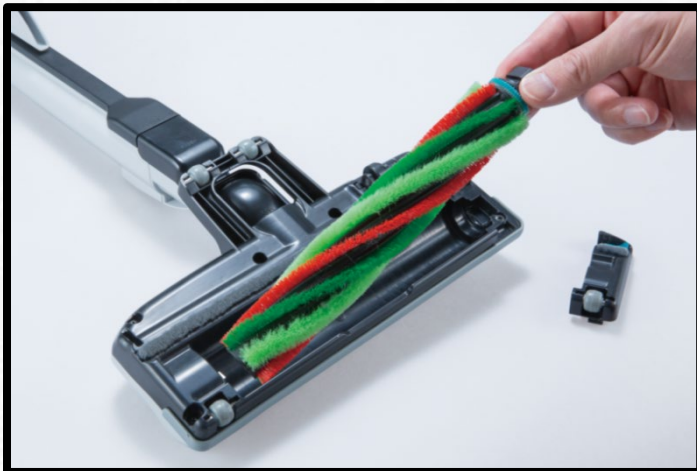

RUNTIME: Enjoy extended cleaning sessions with runtimes of up to 60 minutes with a 2.5Ah battery

QUIET OPERATION: Operating at a maximum noise level of just 66 dBA on high power mode, this vacuum is comparable to the sound of a quiet office or a soft conversation, allowing you to clean without disrupting your home or workspace.

EFFORTLESS WASTE DISPOSAL: The one-touch canister removal feature makes waste disposal quick and hassle-free, allowing you to empty the canister with minimal mess and effort.

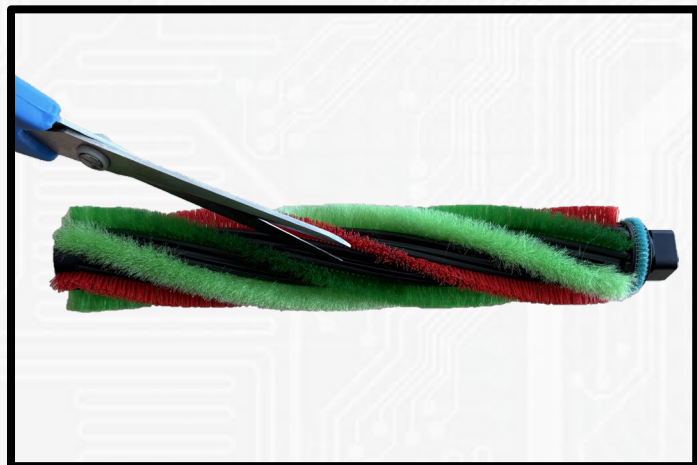

POWERED FLOOR HEAD MAINTENANCE

ROLLER BRUSH

Tool-less roller brush removal for convenient cleaning and maintenance

HAIR AND THREAD CONTROL

Over time, hair and thread may become entangled around the roller brush. There are channels across the body of the roller bar which make it easy to cut the hair or thread off with a pair of scissors.

WHEN NOT IN USE

RUBBERISED STANDING SUPPORT HOOK

The rubberised hook at the rear of the motor housing provides support to prop up the vacuum when not in use.

VERSATILE CLEANING

HAND VACUUM FUNCTIONALITY

Attach the power head to the powered terminal port on the housing to use CL004G as a hand vacuum.
