

SC10 Raider HD Floor Cleaner

Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

SC10 Raider HD Floor Cleaner

Geller OneDose SC10 Raider HD Degreaser is a powerful, high-alkaline cleaner designed to cut through tough grease and fat — even in extreme hard water conditions. Ideal for food prep area floors and hard surfaces, it delivers deep cleaning and improved hygiene. As part of the OneDose system, it ensures accurate dosing, reduced chemical waste, and safer handling in demanding commercial and food service environments.

Features & Benefits:

- MPI Approved (C32) for commercial restrooms and non-food areas
- Designed for intensive floor cleaning applications
- Breaks down heavy grease and soil build-up
- Performs reliably in challenging water conditions
- Supports improved hygiene in food and industrial areas
- Controlled dosing reduces waste and operator exposure
