EC3 BioActiv® Washroom Cleaner

Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

EC3 BioActiv Washroom Cleaner

Description:

Geller OneDose BC3 BioActiv Washroom Cleaner is the world's most advanced biological washroom cleaner — powered by synbiotic technology to break down grime, odours, and biofilms at the source. It combines probiotics with plant-based surfactants for a deep, lasting clean. Free from harsh chemical fumes and residues, it leaves washrooms fresher and surfaces healthier. Ideal for toilets, urinals, tiles, and all hard washroom surfaces.

Features & Benefits:

- MPI Approved (C32) for commercial restrooms and non-food areas
- Addresses odours by breaking them down rather than masking
- Helps improve long-term washroom hygiene
- Suitable for all common washroom surfaces
- Leaves spaces fresher with less reliance on fragrance
- Safer alternative to harsh acidic or chlorine-based cleaners
