

SC6 Glass Cleaner

Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

SC6 Glass Cleaner

Geller OneDose SC6 Glass & Stainless Cleaner is a powerful, biodegradable formula that removes tough soils, smoke, and grease films from glass, mirrors, windows, plastic, and stainless steel. It delivers sparkling, streak-free results and leaves surfaces resistant to dust and smudges. With a fresh, pleasant fragrance and part of the OneDose system, it ensures precise dosing, reduced waste, and safe, efficient use in any commercial setting.

Features & Benefits:

- MPI Approved (C35) for commercial restrooms and non-food areas
- Produces clear, streak-free finishes on glass and reflective surfaces
- Removes film, fingerprints, and light grease effectively
- Suitable for use on glass, stainless steel, and plastics
- Leaves surfaces cleaner for longer by reducing resoiling
- OneDose system delivers safe, efficient dilution every use
