

EC9

BioActiv®

Air Freshener/Odour

Smarter Dosing. Better Results.

The Geller One Dose System is a next-generation portable dosing solution that delivers measured, safe, and consistent chemical dilution – one pump at a time. Designed to remove guesswork, improve cost control, and simplify training, One Dose helps teams clean with confidence, accuracy, and speed. Whether you're tackling kitchens, washrooms, floors, or odour control, the system delivers powerful results with less waste, lower risk, and no equipment installation required.

Built for professional cleaning environments, One Dose is available across three targeted ranges – SC (Standard Concentrate), EC (Eco Concentrate), and BC (BioActiv Concentrate) – each colour-coded and aligned with Geller's trusted product system.

System Benefits

- **One pump = one dose** – no pouring, no guessing
- Each bottle delivers up to 100 RTU spray bottles for unbeatable cost efficiency.
- **Accurate dosing every time** – eliminates under or overdosing
- Colour-coded to match the Geller product system
- Sealed bottle design with no-drip pump for user safety
- **Portable, closed system** – no water hookup or dispenser required
- **No maintenance or installation** – ideal for mobile or satellite sites
- **Easy to train** – intuitive for new or rotating staff
- **Guaranteed cost-in-use** – control your spend and reduce waste

EC9 Multi-Purpose Cleaner/Sanitiser

Description:

Geller OneDose BC9 BioActiv Air Freshener is the world's most advanced biological odour neutraliser — powered by synbiotic action to break down odour-causing residues and restore microbial balance. It uses probiotics and prebiotics to eliminate smells at the source, delivering natural, longlasting freshness without synthetic perfumes. Naturally biodegradable, low-impact, and effective where it counts — ideal for washrooms, bins, and shared spaces.

Features & Benefits:

- MPI Approved (C32) for commercial restrooms and non-food areas
- Targets odours at their source rather than covering them
- Helps maintain fresher spaces between cleans
- Ideal for persistent odour-prone areas
- Free from heavy perfumes and synthetic masking agents
- Environmentally responsible solution for odour management
