### SUSTAINABILITY

We are committed to a greener, more sustainable future for all. We strive to minimise the environmental impact of ALL our products, by carefully selecting ingredients that are biodegradable and/or cause minimal harm.

### ENVIRONMENTAL STATEMENT

All cleaning products can have an effect on the environment. Always use the correct dose for maximum efficiency/minimum environmental impact. Do not pour bulk neat chemicals into drains, etc. Small quantities of this product may be flushed to sewer. Rinse container and place with recycling to be collected.

### DIRECTIONS FOR USE

Use neat, or dilute 50:50 with cold water (100ml:100ml) (e.g. one cup of GN5 diluted with one cup of water). SPRAY onto glass. WIPE over complete surface with anti-static cloth or paper towel to give a sparkling, streak-free finish.

**NOTE:** You should always spot test the surface to be cleaned in a small inconspicuous area. Do not use if changes are observed.

**DO NOT USE ON:** LCD or Plasma TV screens plus computer screens.
