

2. All Purpose HD Degreaser/Cleaner

Fragrance

Ultimo 2. HD Degreaser/Cleaner is a heavy-duty universal cleaner and degreaser. Can be used to remove grease and fat in food preparation areas. For use where the surface is not adversely affected by alkalinity.

Directions:

Use one dose from Ultimo Dispenser per bottle or bucket. Use a mop or spray on to surfaces to be cleaned. Rinse all food contacting surfaces with potable water after use.

MPI APPROVED C32 (All animal product except dairy). Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean-towel drying. In food processing premises, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.

DANGER: Cleaning Products Subsidiary Hazard - Group Standard HSR002530 Classified as Hazardous according to the Hazardous Substances (Minimum Degrees of Hazard) Regulations 2001, New Zealand. Classified as Dangerous Goods for transport according to the New Zealand Standard NZS 5433:2012 Transport of Dangerous Goods on Land.

8.1A Substance that is corrosive to metals

8.2B Substance that is corrosive to dermal tissue

8.3A Substance that is corrosive to ocular tissue

Precautionary Measures: Read label before use. Keep out of reach of children. Wear protective gloves, protective clothing and eye protection/face protection. Wash hands thoroughly after handling. Avoid release to the environment.

Features and Benefits:

First Aid: If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. If On Skin: Wash with plenty of soap and water. Take off contaminated clothing and wash before re-use. If skin irritation occurs: Get medical advice. If Swallowed: Rinse mouth. Do NOT induce vomiting. Call a POISON CENTRE or doctor if you feel unwell.

Medical Assistance: If discomfort persists call your nearest Medical Centre or the NZ National Poisons Centre 0800-764-766 for advice. Have this label or Safety Data Sheet on hand.

Storage: Store in original container.

Disposal: Discharge waste to trade waste or in accordance with local regulations. Wash empty plastic container before recycling.

Emergency Response: Contain spillage and absorb with mineral sponge or other inert absorbent.
