

7. Multi Quat Sanitiser

Ultimo 7. Multi Quat Sanitiser is a chlorine free, non-perfumed, high performance quaternary based sanitiser. Can be used safely on all hard surfaces without the need of rinsing.

Directions:

Use one dose from Ultimo Dispenser per bottle or bucket. Use a mop or spray on to surfaces to be cleaned. Rinse all food contacting surfaces with potable water after use.

MPI APPROVED C43 (All animal product except dairy). In the case of operators that only process fish, food contact surfaces must be thoroughly drained to minimise residues and must not imply that it can be used as a non-rinse sanitiser by any other operators.

MPI Approved C 44

1. This may be used in all areas.
2. This may be used for sanitising quality control equipment where the equipment is allowed to dry prior to contacting product.
3. It must be used at a sufficient distance from all edible product and packaging material so that there can be no possibility of contamination of product or packaging material as a result of use.
4. When used as a sanitiser in other circumstances, surfaces must be thoroughly rinsed with potable water before production starts.

DANGER: Cleaning Products Subsidiary Hazard - Group Standard HSR002530 Classified as Hazardous according to the Hazardous Substances (Minimum Degrees of Hazard) Regulations 2001, New Zealand. Not classified as Dangerous Goods for transport according to the New Zealand Standard NZS 5433:2012 Transport of Dangerous Goods on Land.

- 6.3A Substance that is irritating to the skin
- 6.3B Substance that is mildly irritating to the skin
- 6.5A Substance that is a respiratory sensitiser
- 6.5B Substance that is a contact sensitiser
- 8.3A Substance that is corrosive to ocular tissue
- 9.1B Substance that is ecotoxic in the aquatic environment

Precautionary Measures: Read label before use.

Keep out of reach of children. Wear protective gloves, protective clothing and eye protection/face protection. Wash hands thoroughly after handling. Avoid release to the environment.

First Aid: If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. If On Skin: Wash with plenty of soap and water. Take off contaminated clothing and wash before re-use. If skin irritation occurs: Get medical advice. If Swallowed: Rinse mouth. Do NOT induce vomiting. Call a POISON CENTRE or doctor if you feel unwell.

Medical Assistance: If discomfort persists call your nearest Medical Centre or the NZ National Poisons Centre 0800-764-766 for advice. Have this label or Safety Data Sheet on hand.

Storage: Store in original container.

Disposal: Discharge waste to trade waste or in accordance with local regulations. Wash empty plastic container before recycling.

Emergency Response: Contain spillage and absorb with mineral sponge or other inert absorbent.
