

## PODIATRY CONFERENCE EDITION

If you're attending the Australian Podiatry Conference in Adelaide, DBS are on stand E23. Walk down King William St or Morphett St to find us and come and say hi.

### PERFECT SENSE PARAFFIN - HYGIENIC, NATURAL, SAFE

With the temperatures dropping it's the perfect time for Paraffin Treatments. Great for chilblains, rheumatic/arthritic joints, dry skin conditions and general well being. Protects skin for up to 48 hours. However using electric wax baths is messy, time consuming and **COMPLETELY UNHYGIENIC**. Now you can perform treatments **quickly & safely with fast cleanup** saving time and money in your practice. Also gives you the ability to use it in different rooms as no power is required.

White or Copper Heating Chamber

**WE WILL BE DOING PERFECT SENSE DEMOS ON OUR STAND**  
Come and try it out, see how great it feels and how it can benefit your patients

PerfectSense is initially sold as a starter kit with the chamber and 36 treatment blends. You then restock as needed. Each treatment costs less than \$11 and you're treating both feet at the same time - much more convenient and relaxing for your patient.

Sealed booties with wax inside and mineral activator for natural heat and aromatherapy scent

**Starter Kit Conference Special - \$699.00**

OR CONTACT US FOR MORE INFO

PerfectSense effectively eliminates every significant drawback of current paraffin delivery systems.

Grindmaster Cab - shown with optional stand

## NEW EQUIPMENT - On Display on the DBS Stand

### GRINDMASTER CAB New from Namrol!

**Grinding is MESSY! Keep it clean! (and quiet...)**

Wouldn't it be great if you could keep all the dust & particles generated by grinding orthotics and other devices safely contained in the grinding area? The Grindmaster Cab is an enclosed cabinet for clean, effective grinding. The curved glass protector along with the LED lighting gives you a panoramic view of the working area and the 3/4 HP motor allows you to grind and polish with ease. Plus with no noisy extraction motor it's so quiet. At the end of the day simply empty the debris tray.

#### GRINDMASTER CAB

Unit only - **\$4,200.00**

Optional Stand - **\$475.00**

\*Notice how we don't hide the cost like everyone else. We'll show you our ROI calculator and how you can earn enough to pay off your Laser in the shortest time

### neoV 1064 10W LASER

**Small Package - Big Features**

**Compact Design** - high res, high brightness colour touch screen with wide viewing angles and large stop switch  
**Focussing Handpiece** - 1mm spot with guides for precise treatment of each nail and better patient outcomes  
**Shielded Optical Fibre** - stronger and safer than naked optical fibre and also a safety feature  
**Footswitch with Safety Hinge** - safe easy on/off operation

The neoV 1064 Laser requires no ongoing maintenance other than 24 month validation. This results in a very low cost of ownership meaning more money earned per treatment.
