

SPRING IS HERE! At least there's something positive.

We hope everyone is staying healthy and safe and getting through work and life as best as possible. DBS are still operating as usual and doing our best to keep up our service to Pods and supply the products you need. Call if we can help.

If you're concerned about what you breathe in as you practice, you should be wearing a Cambridge Mask Pro.

3 layer, silver impregnated filter system incorporating military grade carbon
The whole mask is the filter - each layer progressively filters to PM0.3

Save Money, Save Waste, Stay Protected

Wearability Advantages

- proper seal against fine particles
- different sizes available - adjustable fit
- exhalation valve stops heat build-up and your glasses steaming
- hand washable, lightweight and comfortable
- less waste - how many standard disposable masks do you throw out per week?

Clinical Advantages

- filters microscopic nail dust particles
- filters noxious substances - eg phenol
- filters pathogens, bacteria and viruses
- very effective when using with laser treatment
- also useful when grinding orthotics
- filters adhesives used in gluing orthotics

Up to 340 hours of use - 1 mask can be used for 6 or more weeks
Hand washable for removal of dust particles on mask exterior

SIZING - See our website or ask us for a fitting guide. As they are adjustable, 2 sizes pretty much covers everyone.

MEDIUM - 150 x 190mm 33-64kg - Fits most females **LARGE** - 170 x 200mm 65-89kg - Fits most males

We do also carry some other sizes. Small if you're a little person and some X-Large if you're a giant.

SOLUSHIN®

The Australian Researched and Designed Solution

Most common use is for runners, athletes or anyone suffering from shin splints or poor Ankle ROM. It's worn before and after training/activity as it **immediately** relieves pain by applying pressure points to the muscles of the lower leg. It allows much quicker recovery from shin splints. Wearing a Solushin gets your patients back to normal much more quickly - which is what they want.

Your cost **RRP \$199.00 each**
\$139.00 each so great margin for your practice

The Solushin takes a research-based approach to treating shin splints:

1. Lengthen the soleus muscle
2. Compress the area of soreness & inflammation
