MULTIFUNCTION MORTICE LOCK 23MM BUCKET SSS

 25 Yr Warranty  Quick-ship

The A0400 is a versatile commercial grade short backset multifunction mortice lock specifically designed for narrow stile doors. With a reversible bolt for universal handing and easy to change functions buttons, this lock can be quickly adapted to suit your application.

The A0400 multifunction case allows easy conversion from a vestibule lock function (inside handle free) to a combination lock function (both handles locked) by a simple external operation.
