

CVP1400.4

CVP PERFORMANCE 1400W MAX 4-CH
SMALL CHASSIS AMPLIFIER

ONE SHEET

CERWIN-VEGA is proud to introduce the new, totally redesigned CVP Series Amplifiers. An exceptional fusion of power, performance and affordability. Engineered with a compact footprint the New CVP Series Amplifiers deliver premium sound quality with a punch at an affordable price. The HI-Level Inputs allow you to connect The New CVP Series Amplifiers to Factory and Aftermarket Radios. Whether its a Car, Truck or SUV the new compact design allows for easy installation and will not take up a lot of space. The Power to Size ratio will surpass your expectations.

Thank you for choosing a Cerwin Vega CVP Series amplifier. Your support means more to us than you may realize, and we are humbled to be a part of your audio journey. Every amplifier we build carries the pride, care, and craftsmanship of our team, inspired by listeners like you. We have engineered this product to bring you lasting enjoyment and powerful performance for years to come.
