

DESCRIPTION:

Pacer® Natural Solv is a highly effective organic based solvent for many adhesive/glue and de-waxing removal tasks. It is specifically developed to remove adhesive residues on vehicle paintwork and stickers from glass, mirror and plasticware. It also removes gum out of shoes, carpet and soft furnishings. It removes crayons and scuff marks from walls.

It is not a Class 3 Flammable, which ensures it, is much safer than traditional hydrocarbon solvents. It can be rinsed off easily with water.

DIRECTIONS:

Always test in a small inconspicuous area first to determine suitability. Spray **Pacer® Natural Solv** onto surface to be treated, keeping the surface wet so the adhesive residue is penetrated. Allow time for the **Pacer® Natural Solv** to activate but do not allow it to dry on the surface. Wipe off with a clean cloth. Repeat if necessary. Use soapy water to wash down the surface if required.

APPLICATIONS:

Industrial cleaner, adhesive, stain and gum remover.

PROPERTIES:

Clear liquid with a mild citrus odour

Available Sizes:

WARNING

- H227 Combustible Liquid
- H331 Toxic if inhaled
- H315 Causes skin irritation

WARNING

Multi-Use

Gloves

Goggle

Mask

Clothing

WARNING: Harmful if swallowed. Small amounts of liquid aspirated into the lungs during ingestion, or from vomiting, may cause chemical pneumonitis or pulmonary oedema. Low acute toxicity. Irritating to the eyes but will not permanently damage the eye tissue. Irritating to the skin with prolonged exposure. Can be absorbed through the skin. Irritating to the respiratory tract. Readily absorbed through inhalation. Strong odour may cause discomfort.

FIRST AID:

- Eye Hold eyes open and flush with water for at least 15 minutes.
 - Skin Immediately remove contaminated clothing and wash skin and clothes thoroughly with running water.
 - Ingestion Do not induce vomiting. Give a glass of water. If poisoning occurs, seek medical attention.
 - Inhalation Remove to fresh air. If breathing is difficult, seek medical attention immediately.
- If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre. (24 hrs): 0800 POISON[764 766].*

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

DISCLAIMER

The technical data and information provided, including the recommendations for applying & using our products, is given in good faith based on our current knowledge and experience and is believed to be accurate when applied under 'normal' conditions. In practice, the materials, surfaces or conditions are so varied that no warranty regarding the working results or any liability or guarantee can be inferred either from this information nor from a verbal consultation. It is recommended that the user makes his or her own tests to determine the suitability of the product for their own requirements.
