

DESCRIPTION:

Spot Cleaner quickly dissolves and removes grease, oil, tar, ink, lipstick and chewing gum from carpet, fabric and upholstery. **Spot Cleaner** is also ideal for pre-cleaning stubborn spots before shampooing.

DIRECTIONS:

Before using check the colourfastness of the surface to be treated in an inconspicuous area. Do not use on plastic, vinyl, perspex or painted surfaces. Soak some **Spot Cleaner** into a clean cloth and rub over the spot until the soiling is removed. Allow **Spot Cleaner** to evaporate prior to shampooing.

APPLICATIONS:

Removes grease, oil, tar, ink, lipstick and chewing gum from carpet, fabric and upholstery

PROPERTIES:

Colourless liquid with a slight ammonia smell.

Available Sizes:

DANGER

- H304 May be fatal if swallowed and enters airways
- H224 Extremely flammable liquid and vapour
- H332 Harmful if inhaled
- H312 Harmful if contact with skin
- H319 Causes serious eye irritation

DANGER: HIGHLY FLAMMABLE LIQUID AND VAPOUR. May be fatal if swallowed and enters airways. Causes serious eye irritation. Can cause painful burning or sting to eyes and lids. Slight irritant except in very high concentrations may cause dizziness, nausea and narcosis. Harmful if inhaled.

SAFETY PRECAUTIONS: Keep well away from heat, sparks and open flame. Keep closed when not in use. Do not eat, drink or smoke whilst using. Use only non-sparking tools. Avoid breathing vapour. Use with adequate ventilation. When using wear nitrile gloves goggles and a mask. Store in original container away from food. Dispose of empty container in a safe manner.

FIRST AID:

- Eye Flush eye immediately with water. If persistent irritation occurs, obtain medical attention.
 - Skin Remove contaminated clothing. Wash skin with water using soap. If irritation persists seek medical attention.
 - Ingestion Do not induce vomiting. Give nothing by mouth. If rapid recovery does not occur, obtain medical attention.
 - Inhalation Remove to fresh air. If rapid recovery does not occur, obtain medical attention.
- If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre. (24 hrs): 0800 POISON[764 766].*

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

DISCLAIMER

The technical data and information provided, including the recommendations for applying & using our products, is given in good faith based on our current knowledge and experience and is believed to be accurate when applied under 'normal' conditions. In practice, the materials, surfaces or conditions are so varied that no warranty regarding the working results or any liability or guarantee can be inferred either from this information nor from a verbal consultation. It is recommended that the user makes his or her own tests to determine the suitability of the product for their own requirements.
