

DESCRIPTION:

Velour & Fabric Cleaner is a top quality foaming cleaner for cloth upholstery and carpet. Removes dirt with optimal performance leaving a clean fresh scent.

DIRECTIONS:

Vacuum up loose soils before cleaning. Always check first for colour fastness by testing in an inconspicuous area. Leave windows open to assist drying.

Directions for problem areas: Spray on to the affected area and rub thoroughly with a small soft cloth folded into a pad. Some stains may require more than one application.

Directions for re-freshing and general cleaning: Lightly spray on to entire area and rub gently with a small cloth folded into a pad. Check your cloth for lifted dirt and turn to a clean side frequently.

APPLICATIONS:

Cloth upholstery and carpet cleaner

PROPERTIES:

Foaming light brown liquid with a neutral pH.

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.
