Who is **DUCTSAFE PRO** for?

Anyone that needs to cut into duct to access the cables inside for maintenance or repair.

- ✓ Electricity industry
- ✓ Telecommunications industry
- ✓ Anyone entering ducts containing service cables

DUCTSAFE PRO offers precision depth saws for all common duct sizes used in NZ. Custom depth saws are also available for those odd or rarely used duct thicknesses.

The **3 step process** is fast and simple:

1. Identify the duct thickness
2. Choose the correct saw to match
3. Attach it to your multitool and use

DUCTSAFE PRO ensures precise depth cuts every time – by limiting the depth of the cut, the cable can be exposed safely and without the risk of contact or damage.

CAT No.	Saw Cutting Depth
