Innovation for Customers

## 204E Duct Tape

Joining / Sealing  
Professionals Choice

Nitto's Duct tape 204E is a premium grade, fully plasticized PVC joining and sealing tape consisting of a pure (no fillers) film with a primed rubber based pressure sensitive adhesive and totally lead free.

Nitto 204E is the preferred choice for installers of HVAC ducting.

- Low VOC rating
- Lead and Toluene free
- High conformability
- Non-flagging
- Excellent ageing & weatherability
- Water, vapour, flow resistance
- Recovers after elongation
- Easy, consistent unwind
- - 10° C to +90° C operating temperature

### Applications

- HVAC ducting
- Joining and sealing of pipework
- Above and below ground conduit
- Joining polyethylene film
